

ZAMBIA MEDICINES REGULATORY AUTHORITY

NOTICE TO MARKETING AUTHORISATION HOLDERS ON SUBMISSION OF APPLICATIONS FOR RENEWAL OF MARKETING AUTHORISATION WHICH HAVE LAPSED

This notice serves as a reminder for all Marketing Authorisation Holders with a medicine or an allied substance whose Marketing Authorisation has lapsed. In line with Statutory Instrument No. 79 of 2019, all holders are required to apply for renewal of a Marketing Authorisation at least 180 days before it lapses: to facilitate issuance of a new Marketing Authorisation. Failure to do so may result in the suspension of the marketing authorisation for the medicine or allied substance.

To maintain market compliance and ensure the uninterrupted availability of your medical product on the Zambian market, please prioritize the submission of renewal applications within the stipulated timeframe. Compliance with this requirement is essential for the continued placement of your medical products on the Zambian market.

For further information or assistance with the payment process, please contact our office by sending an email to irims.support@zamra.co.zm and accounts@zamra.co.zm. You may also call our Accounts or ICT departments on 260 211 432 350/260 211 432 351.

Thank you for your co-operation and attention to this important regulatory requirement.

Yours sincerely,

Director-General
