ZAMBIA MEDICINES REGULATORY AUTHORITY

13th January 2025

Dear Sir/Madam,

RE: INVITATION TO A WORKSHOP ON THE IMPLEMENTATION OF THE ZAMBIA TRACEABILITY STRATEGY

The Zambia Medicines Regulatory Authority (ZAMRA) in collaboration with the Ministry of Health (MOH) and the Zambia Medicines and Medical Supplies Agency (ZAMMSA) is organizing a workshop to convene key stakeholders to accelerate the fulfilment of Zambia’s Traceability Guidelines.

The main objective of this workshop is to discuss the implementation of Zambia’s traceability initiative by assessing capabilities and gaps in the local market and discussing a compliance monitoring approach. We invite you to join our discussion of GS1 Standards in market authorization implementation and the opportunities for compliance monitoring. As an active Market Authorization Holder and Local Responsible Person, we value your perspective and insight in this conversation. We wish to encourage you to come for the face-to-face meeting, where possible.
